

Did you know?

Brookmill Medical Centre is a training practice!

- We have regular trainee GP's (known as GP registrars) on placement here at the practice who work alongside our clinical team.
- GP Registrars are qualified doctors who spend between 6 – 12 months on placement, they are fully qualified and are able to make diagnoses and offer treatments as any GP is able to.
- Our latest GP Registrars are:

Dr D Kaloo (M)

Dr R Leroux (M)

Dr T Shah (M)
